

Discussion Questions Matthew 21:33-46

God has given us all kinds of good gifts and resources: family, friends, homes, intelligence, personality qualities, experiences, spiritual gifts, health, finances; a church family. God has given us all these things so that we might serve him and bear fruit. But sin encourages us to live our lives as if we are the *owners* of all these things, not the *tenants*- living in God's vineyard, but putting all the means of production to work serving ourselves.

What will it look like for you to use the good gifts that God has given you to serve him and his purposes?

How will this change your attitude to the resources and good gifts that God has given you?
